

nanoMan2022 and AETS2022

The 8th International Conference on Nanomanufacturing

jointly organized with

the 4th AET Symposium on ACSM and Digital Manufacturing

30 Aug – 1 Sep 2022, online

8th International Conference on Nanomanufacturing and 4th AET Symposium on ACSM and Digital Manufacturing

ORGANISERS: The conference will be jointly organised by the International Society for Nanomanufacturing (ISNM) and the International Academy of Engineering and Technology (AET).

CONFERENCE WEBSITE: www.nanoman-aets2022.com

CONTRACT E-MAILS: isnm_info@163.com or info@aet-ac.org

VENUE: The conference will be held ONLINE due to the travel restriction applied in some countries.

TIME: The half-day sessions will be held between 9.00-14.00 (Greenwich Mean Time) on 30 August to 1 September, 2022.

Conference Board

Chair: Prof. F. Z. Fang, China
Member: Prof. K. Cheng, UK
Prof. K. Dawson, Ireland
Prof. K. Ehmann, USA
Prof. W. Gao, Japan
Prof. Z. D. Jiang, China
Prof. R. Leach, UK
Dr. C. Park, Korea
Dr. O. Riemer, Germany

Scientific Committee

Chair: Prof. H. Hansen, Denmark
Co-Chair: Prof. R. Leach, UK
Member: Prof. D. M. Guo, China
Dr. N. Blondiaux, Switzerland
Prof. C. Brecher, Germany
Prof. B. Cheung, HongKong, China
Prof. S. Dong, China
Dr. H. M. Durand, Switzerland
Prof. N. Fang, USA
Prof. H. Haitjema, Belgium
Prof. M. J. Jackson, USA
Mr. B. Kennedy, Ireland
Prof. T. Kuriyagawa, Japan
Prof. L. N. Lacalle, Spain
Dr. K. Liu, Singapore
Dr. J. Michler, Switzerland
Prof. M. N. Morgan, UK
Prof. H. Ohmori, Japan
Prof. F. Pfefferkorn, USA
Prof. J. Sheridan, Ireland
Prof. K. Stanton, Ireland
Prof. W. Yuan, China
Prof. E. Vezzetti, Italy
Mr. B. Walsh, Ireland
Prof. Z. W. Xu, China
Prof. J. W. Yan, Japan

Program Committee

Chair: Prof. Z. D. Jiang, China
Co-Chair: Prof. X. Luo, UK
Member: Prof. E. Brousseau, UK
Prof. X. Chen, UK
Dr. F. Gao, UK
Prof. W. Lin, Japan
Prof. S. W. Kim, Korea
Dr. J. Qian, Belgium
Prof. M. Sealy, USA
Prof. Y. Shen, Taiwan, China
Prof. K. Takamasu, Japan
Prof. Y. B. Wu, China
Prof. W. Wu, USA
Prof. J. Sun, China
Prof. Y. Shimizu, Japan
Prof. G. Tosello, Denmark
Prof. Y. D. Yan, China
Prof. S. M. Yang, China

Organizing Committee

Chair: Dr. J. Zhang, Ireland
Co-Chair: Dr. M. Castelli, Ireland
Member: Dr. W. Chang, UK
Dr. H. Deng, China
Dr. T. Geethapriyan, India
Dr. S. Goel, UK
Dr. R. M. M. Hasan, Bangladesh
Dr. X. H. Li, China
Dr. Q. Liu, UK
Dr. M. Lai, China
Dr. P. Kundu, USA
Dr. C. Musgrave, Ireland
Mr. J. Oliver, Ireland
Mr. L. O'Toole, Ireland
Dr. J. Wang, China
Dr. P. Wang, Ireland
Dr. W. Xie, UK
Dr. N. Yu, UK

nanoMan2022 and AETS2022

The 8th International Conference on Nanomanufacturing

jointly organized with

the 4th AET Symposium on ACSM and Digital Manufacturing

30 Aug - 1 Sep 2022, online

CALL FOR PAPERS

Nanomanufacturing covers a wide range of manufacturing technologies for enabling nano-scale materials, structures, components, devices and systems to advance scientific discovery and promote innovation in various fields, including nanoelectronics, nanophotonics, nanomaterials, micro/nano optics and quantum optics. Due to continuous shrinking of feature size for nano-products, nanomanufacturing is clearly advancing towards atomic scale precision and to remove, add or transform advanced materials at the atomic and close-to-atomic scale, i.e. towards Atomic and Close-to-atomic Scale Manufacturing (ACSM). There is significant frontier and ongoing research in this area. Meanwhile, a new round of industrial digital revolution is being nurtured worldwide, thanks to breakthroughs in emerging Industry 4.0 technologies.

It is our great pleasure to invite you to the 8th International Conference on Nanomanufacturing (nanoMan2022) joint organized with the 4th AET Symposium on ACSM and Digital Manufacturing (ATES2022), which will be held online between 30 August to 1 September, 2022.

AIMS: The aim of the conference is to provide one of the leading international forums for scientists, engineers, scholars and students to exchange latest developments, research findings and visions in the fields of nanomanufacturing, ACSM and digital manufacturing. It also aims to provide a platform to foster R&D collaborations amongst academia, research institutions, and industries where joint research programmes can be formulated for mutual benefit.

SCOPE: The scope of conference covers a broad spectrum of area with multi-disciplinary interests in the fields of nanomanufacturing, ACSM and digital manufacturing, ranging from fundamental research to real-world application. The conference welcome the submission of papers in the nature of original research and technical review from the following, but not limited to, areas:

- Advanced Nanomaterials
- Atomic and Close-to-atomic Scale Manufacturing (ACSM)
- Digital Manufacturing
- Laser/FIB Micro/Nano Materials Processing

- High Precision Machines
- Micro/nano Optics and Photonics
- Metrology and Characterization
- Micro-featured Surfaces & Surface Modification
- Micro/Nanofforming
- Micro/Nanomachining
- Modeling & Simulation at the Micro/Nano/Atomic Scale
- Nano/Microsystems & Auto-assembly
- Micro/Nano-electromechanical Systems
- Optical Machining & Measurement
- Process Monitoring and Quality Control
- Quantum Optics
- Ultra-precision Machining
- Other Technologies Associated with Manufacturing

REGISTRATION:

Early-bird (before 20 July 2022)

- General delegate €160
- ISNM/AET members/Student €120

Regular registration (after 20 July 2022)

- General delegate €200;
- ISNM/AET members/Student €160

SUBMISSIONS: Paper template and submission weblink are available on conference website.

PUBLICATIONS: All papers will be subjected to a full review process and all the accepted papers will be included in the conference proceedings. Authors of selected papers will be invited to submit extended article version to Journal of Nanomanufacturing and Metrology (Springer).

BEST PAPER AWARDS: All accepted papers are eligible for Best Paper Awards. This will be assessed purely on their quality in terms of academic significance, research impact and novelty. The awards will be announced at conference closing ceremony and the award certificates will be presented to the authors by e-mails.

KEY DATES:

- Submission of full paper: 30 May 2022
- Notification of acceptance: 30 June 2022
- Camera-ready copy due: 30 July 2022
